Sculpture by the Bay

For just three days each March long weekend, the Dunsborough Foreshore at the end of Dun Bay Road is transformed as artists provide a visual display of outdoor sculptural works for all to enjoy. Sculpture by the Bay was first held in 2010 and is an event under the Dunsborough Arts Festival.

The Dunsborough Arts Festival and Sculpture by the Bay is coordinated by local volunteers of the Dunsborough Progress Association. The purpose of the event is:

- To foster interest in Public artwork;
- to provide a venue for artists of outdoor works to exhibit; and
- to develop a Sculpture Trail within the Dunsborough area.

The first exhibition had just 12 artworks on display but now over 30 works are displayed annually. This ongoing success has led to expansion of the event to include a Small Sculpture Prize for the tenth year of Sculpture by the Bay, 2019. The Committee is partnering with Christian Fletcher Gallery in Dunsborough for the display of the Small Sculpture Prize exhibition with up to 40 works.

Sponsorship of awards for both exhibitions is provided by individual community members and local businesses who have a strong belief in the importance of the event for the community as well as supporting artists in their creative endeavours. Without our sponsors continued commitment to Sculpture by the Bay it would not be possible for the event to be the success it is. Public participation grows every year with approximately 7,000 people attending the 2018 event.

The local residents wholeheartedly support this great community event which is evident in the many volunteer hours provided before and during Sculpture by the Bay.

The Committee receives a 20% commission on all works sold and this goes towards the running of the event. Any remaining funds have been put aside for the continued development of the event and over time, surplus to operation costs will be used to give back to the community through future projects.

Sculpture trail

With the commencement of the event in 2010 and the generous support of the City of Busselton with an acquisitive prize, the development of a Sculpture Trail within Dunsborough was possible. Each year the winning work of the acquisitive prize is installed by the City of Busselton in a public location for the enjoyment of the community and visitors. The trail has added to the landscape and community spirit of the town.

Committee

The Sculpture by the Bay Committee is a sub-committee of the Dunsborough Progress Association. The Committee comprises three local artists who are the Coordinators, assisted by two community volunteers, also artists. Both the Dunsborough Progress Association executive and the Sculpture by the Bay sub-committee are governed by volunteer members. The Sculpture by the Bay Committee reports on their activities on a regular basis to the DPA and the DPA approve financial transactions of the SBB Committee. Volunteers on the SBB Committee are required to be a member of the DPA and are covered by the DPA Volunteer Insurance. The DPA is an incorporated organisation.

Judging of Awards

Judging of the awards commences at 8am on Saturday, the first day of the event, following installation and judging of the works.

Each Award has a Judging Panel consisting of:

- The sponsor or their representative
- 1 x Sculpture by the Bay Committee member or their representative

If as a sponsor you do not wish to participate in the judging you may nominate another person to judge on your behalf. Alternatively, the Sculpture by the Bay Committee will provide a suitably qualified person to judge on your behalf, if requested. Sponsors are asked to provide four weeks' notice if you would like the Committee to source an alternate judge.

For reasons of transparency and independence, the Committee will ensure that no Committee representative will be on a judging panel for which they have submitted work.

The Committee will provide each Judging Panel with information on each work submitted for the Award, excluding the Artist name.

It is the endeavor of the Committee, that where possible, awards are spread across the exhibition to provide encouragement and motivation to the artists. To assist in this, during the judging process the first to nominate their award will be the City of Busselton Acquisitive Award, followed by the Dianne Laurance Award for Excellence. Other awards will follow in order of prize money. This will also enable work to be available for purchase by the Sponsor, if desired.

Where a Sponsor expressly wishes to nominate a work for their award that has already been nominated for an award of a higher value, they may do so but they will not have first option to purchase the work.

Following judging, the Panel will complete and sign a Judging Assessment form identifying the catalogue number and name of the winning work. If there is to be a split award, the amount awarded to each individual work will need to be nominated. If the Sponsor has already identified they will not be available

for judging, confirmation will be required on the dollar value of split awards. It is only after the completion of judging that the artist name is provided.

Awards ceremony

Announcement of awards is during the award ceremony on Saturday morning directly following judging.

Sponsors are invited to attend the ceremony and to present their award to the winning artist of their category. There will be an opportunity for sponsors to speak about their award if they wish to do so.

A photographer engaged by the Committee will document the awarding of prizes during the event and with sponsors, judges and winners directly following the ceremony.

Sponsor purchase of works

Each Sponsor will have first option to purchase the sculpture they have selected for their Award. Where two awards have been nominated for one work, the sponsor of the higher monetary value will have first option to purchase the work. If this is declined, the next awarding sponsor will be offered the option to purchase.

If the Sponsor is aware that they will not be in attendance on the morning of judging, they are asked to provide the Committee with a contactable phone number at least 48 hours prior to the commencement of the event.

When a Sponsor is not in attendance the Committee will make every endeavor following the decision of the judges and prior to sales opening to the public at the conclusion of the awards ceremony, to contact the sponsor regarding purchase of their winning work. If contact has been unsuccessful once sales are open to the public, it will be assumed by the Committee that the sponsor does not wish to purchase the winning work. If a technical problem arises, such as the interruption to phone communication, the Committee may decide to defer the public sale of a winning work until phone service is restored. If a sponsor expressly advises they will purchase the winner in their category, sight unseen, the Committee will delay public sale of the work until this is confirmed with the sponsor following announcement of the winner.

Any additional purchases by sponsors are to be made once sales are open to the public, following the awards ceremony.

Public sales

Sales to the public will commence directly following the closure of the awards ceremony. Where a sale is put on hold until a Sponsor can be contacted, the Committee will take expressions of interest from the public.

Small Sculpture Prize

The Small Sculpture prize is a new addition to the Sculpture by the Bay program in 2019.

The aim of the Award is to provide an opportunity for artists to create a non-site specific, original, one-of-a-kind, three-dimensional object. The works must be within the dimensions of w 40cm x d 40cm x h 50cm and be freestanding. Each artist can submit one work comprising of no more than three pieces.

It is believed this event will attract a wide range of mixed media artists producing a diversity of work. Small sculptures are extremely popular, and it is expected the event will attract a new viewing audience.

Partnership with Christian Fletcher Gallery

The Sculpture by the Bay Committee is proud to be partnering with Christian Fletcher Gallery in Dunsborough to host the event. Up to 40 small sculptures will be on display in the gallery space.

The official opening of Dunsborough Arts Festival and the awarding of the Small Sculpture Prize awards will take place at Christian Fletcher Gallery on the Friday night.

Judging of Awards

Each year the Committee will engage an independent judge or judges who are suitably qualified in the Arts industry. The panel will undertake judging on the Friday afternoon, following installation of the works, and will select the winners of each award category. Awards will be spread across the exhibition to provide encouragement and motivation to the artists.

The Committee will provide the Judging Panel with information on each work submitted for the Award, but this will exclude the Artist name. Following judging a Committee member will contact the sponsor to advise of the winning work and artist for their award.

Awards ceremony

The Awards ceremony will form part of the official opening of the Dunsborough Arts Festival on Friday evening of the event.

Sponsors or their representative are invited to attend the ceremony and to present their award to the winning artist of their category. There will be an opportunity for sponsors to speak about their award if they wish to do so.

A photographer engaged by the Committee will document the awarding of prizes during the event and with sponsors, judges and winners directly following the ceremony.

Sponsor purchase of work

Each Sponsor will have first option to purchase the sculpture they have selected for their Award.

Following judging a member of the Committee will contact the Sponsor to advise of the winner of their award and to confirm if they would like to purchase the work.

If a Sponsor is to be outside of the region they are asked to provide the Committee with a contactable phone number 48 hour prior to judging. The Committee will make every endeavor following the decision of the judges and prior to sales opening to the public at the conclusion of the awards ceremony, to contact the sponsor regarding purchase of their winning work.

If contact has been unsuccessful once sales are open to the public, it will be assumed by the Committee that the sponsor does not wish to purchase the winning work. If a technical problem arises, such as the interruption to phone communication, the Committee may decide to defer the public sale of a winning work until phone service is restored. If a sponsor expressly advises they will purchase the winner in their category, sight unseen, the Committee will delay public sale of the work until this is confirmed with the sponsor following announcement of the winner.

Any additional purchases by sponsors are to be made once sales are open to the public, following the awards ceremony.

Public sales

Sales to the public will commence directly following the closure of the awards ceremony on the Friday evening.
